

# Cover *your* Pergola

## Premium System

10 Year  
Warranty!  
NO QUESTIONS ASKED

The standing seam design makes our Premium System a leak resistant option for outdoor living spaces. This system is architectural grade, so it has the same great benefits of our Standard System with increased rigidity and thermal insulation.

### Benefits

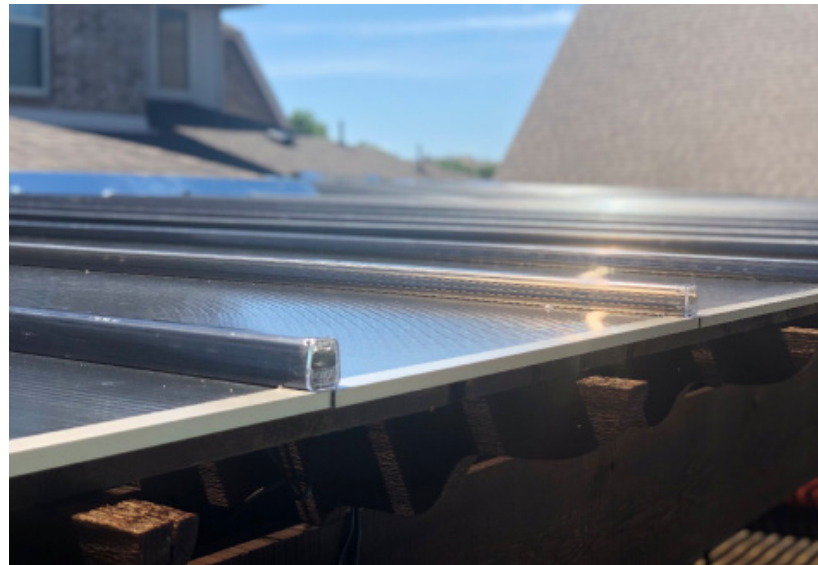

- Lets light in
- Keeps the rain out
- Hail Resistant
- UV Protective layer reduces sun damage
- Reduces heat by up to **10 DEGREES** by blocking 70% of light (bronze color)
- Quadruple walled for increased rigidity
- No screws installed through the sheet
- Heavy duty connecting seam
- Aluminum frame around outside edge

### Specifications
